### **5. News from the surgery**

A new F2 (foundation) Doctor has started for four months, called Dr Wallace.

A new nurse will be joining in June, coming from Worksop and is fully experienced. She'll be doing the asthma clinic.

We have two new receptionists, one part-time and one full-time. Please bear with them as they settle in to the role.

Dr Say asked to mention there will be some changes to how prescriptions are done, for example Doctors will no longer prescribe paracetamol in small quantities as it's expensive for it to be done on prescription when the tablets can be purchased very cheaply.

Flu week will be the first week in October at Kiveton Surgery and the following week at Harthill. No dates set yet for children.

### **6. Guest speaker – John Ambrose**

John gave a very informative talk entitled 'tax and toy boys' about the importance of making a will in the correct way. The consequences on other family members of leaving your entire estate to a partner if the partner later marries again.

### **7. Date of next meeting – Wednesday 15 June 2016 at 6pm**

The meeting closed at 7pm
